
Vaudeville for Insane Patients.

CALDWELL, N. J., Sept. 24.—To amuse the patients in the large hospital for the insane at Overbrook, the hospital authorities are considering Warden Charles A. Steadman's suggestion for a moving picture and vaudeville show. Representatives of an amusement company offered to put on shows at a low cost in the large music hall at the institution. Dr. Guy Payne, the acting medical director at the asylum, favors such entertainment, as he believes it will benefit the patients.
